SIR,

I have the honor to enclose herein for the approval of Government a form of Indemnity Bond to be executed by a person claiming to be entitled to a transfer of bonds standing in the name of another, proposed by the Government Advocate, with connected papers, It was considered desirable to standardise the form of Indemnity Bonds to be submitted to this office along with the certificates of Magistrates in cases falling under Government Order No. Fl.4090/G.F.6-21- dated 17th February 1922. The proposed form is suitable and may therefore be kindly approved.

To facilitate work I am also getting a Kannada form of the Indemnity Bond drawn up, for use among those, not knowing English. The same will be submitted for approval to Government, immediately on receipt from the Government Advocate.

Pending revision of the Government Securities Regulation, I further request that the concessions granted to the heirs of applicants for the State Loans in Government Order No. Fl.4090/G.F.6-21 dated 17th Feb 22 for the bonds being issued in their favor without their having to produce ~~one~~ concession certificates obtained from a Court of Law may be extended

extended to the heirs of the holders of bonds also and sanction of Government accordingly obtained. I may add that the above concessions are granted in the case of securities of the Government of India and are proposed to be included in the revised Mysore Securities Regulation now before Government.

As a number of such cases are pending disposal immediate orders are solicited.

I have the honor to be;

Sir,

SIR,

With reference to your letter No. S. L. 608, dated the 25th July 1922, I have the honor to enclose herein a - fresh form of an Indemnity Bond to be executed by any person claiming to be entitled to a transfer of bonds standing in - the name of the person under whom he claims. Provision is also made therein for a surety also executing the Bond along with the Principal.

I have drafted this form so as to bring it in conformity with the form obtaining in British India.

There is no objection to bonds being obtained in Kannada. I believe taking bonds in Kannada, especially from villagers, would be more satisfactory. But in the event of your deciding upon using Kannada forms, I should like to - give a fresh form in Kannada instead of the present English form, which is complicated and cumbersome. We can have a - much simpler form in Kannada.

I have the honor to be,
Sir,
Your most obedient servant,

Government Advocate.

AND WHEREAS, the said .....(here mention the name of the claimant) has applied to the Government of Mysore for the said promissory notes being transferred to his name from that of the said ..... and the Dewan of Mysore has agreed to so transfer the Promissory Notes on condition of the said .....(claimant's name) entering into and executing such bond with a surety
---------- as abovewritten with such donditions sureties.
as hereunder written.

NOW the condition of the abovewritten Bond or obligation is such that if the said ..... his heirs, executors, administrators and representatives shall not and will not at any time hereafter, sue the Dewan, his successors in office or assigns, or any officer or servant of Government for or in respect of the said Notes or the renewal or sub-division thereof or for the recovery of the value thereto or any interest thereon or of anything done by ~~the~~ the Dewan of Mysore, or his agents or servants in relation thereto, and shall and will save harmless ~~and~~ and keep indemnified the said Dewan of Mysore, his successors in office or assigns or any agents employed by or officer or servant of the Government against all claims, demands or proceedings that may be made or instituted upon or against them or any of them by any person or persons whomsoever in consequence of the Dewan of Mysore transferring the said Promissory
